Re: Inpatient Program
License # 360370

Dear Mr. Herman:

As the result of a complaint, your program was surveyed on September 24, 2014 by a Human Services Program Representative. The Plan of Correction in response to the deficiencies outlined in your letter of November 26, 2014 has been reviewed and accepted. Your program remains in compliance with Department regulations.

The Office of Mental Health and Substance Abuse Services is confirming the existing Certificate of Compliance for the period of March 11, 2014 to March 11, 2015.

Please be advised that if the current deficiencies are observed to have not been corrected at the time of our next survey visit, such will justify the issuance of a Provisional License at that time.

Any questions about the licensing process should be directed to Gregory Crosson, MHS at (717) 772-7828.

Sincerely,

A handwritten signature in black ink that reads "Jason de Manincor, MSW, LSW".

CHAPTER 5100. MENTAL HEALTH PROCEDURES § 5100.38. Child or patient abuse. Nothing in this chapter shall conflict with the mandatory statutory or regulatory requirements of reporting suspected or discovered child abuse or patient abuse....	The program and staff did not report a Childline reportable incident to Childline when they became aware. The case record for Consumer #1 indicates he reported to staff on 8/25/14 that he had been sexually assaulted by a peer.	Re-education on the Childline reporting Policy was provided by the Director of Clinical Services with all Social Service Team members on 9/17/14. Re-education on the Childline reporting Policy was provided by the MHT Manager to all Mental Health Technicians during September mandatory monthly meetings held on 9/25/14. Re-education on the Childline reporting Policy was provided by the Assistant Director of Nursing to RN's and LPN's during September mandatory monthly meetings held on 9/24/14.	9/25/14
